- 25X1 1. The Vukman Kruscic cooperative in Mojkovac has replaced all its directors and advisers because of illegal practices and dishonesty in the conduct of cooperative functions. A meeting, which was held to discuss the cooperative's ownership of 200 hectares of ground, 220 sheep, 87 oxen and farm machinery, was attended by members of the cooperative, District Party member Milivoj Molovic, and a member of the local committee, Radoljub Medojevic. The new directors (unidentified) plan to build a number of warehouses, and provide fodder and tools in time for spring planting.
2. The Rasceci cooperative, near Niksic, has suffered great shortages. Cooperative directors sold equipment and cattle for their own benefit, and made gifts of merchandise to their friends. Of 100 head of cattle, only 19 are left at present. No records of any sort were kept, and the number of cattle on hand was never registered. The directors of this cooperative will be replaced, and Party and youth movements will be reprimanded for their negligence.
